The Australia Israel Chamber of Commerce South Australia

Trade Mission to Israel

May 26th to June 2nd 2019

After the success of previous trade missions to Israel in 2017 and 2018, the Australia Israel Chamber of Commerce South Australia is delighted to announce dates for its upcoming 2019 Trade Mission.

The South Australian Chamber has been inspired by the collaboration between past delegates and the relationships formed on past Trade Missions between delegates and their businesses.

Israel has been dubbed the 'Start-Up Nation'. Its \$100 billion dollar economy is a regional powerhouse and boasts the worlds highest rates of entrepreneurship, a stunning culture of innovation, a global concentration of high tech companies and lead advancement in medical, scientific, environmental and humanitarian developments.

Companies such as Mobileye, Netafim, and Sodastream are all examples of Israeli start-ups who have had multi-billion dollar exits whilst maintaining the company and cash in the country.

You are invited to experience Israel's remarkable business ecosystem first hand, via this seven day Trade Mission, where you'll immerse yourself in the 'Start-Up Nation' culture and meet some of Israel's outstanding people and why Israel has become a world leader in Innovation, and Commercialisation.
